

Look no further to learn how to join the ongoing social conversation about Zika, pollinators and overall pest prevention.

## **How do I join the Twitter conversation?**

1. Go to [twitter.com](https://twitter.com) or download the Twitter app for your phone through the app store.
2. Log in to your existing account, or create an account.
3. Follow [@DebugtheMyths](https://twitter.com/DebugtheMyths), [@PestFacts](https://twitter.com/PestFacts), [@KReardon202](https://twitter.com/KReardon202) and [@AhobbsRISE](https://twitter.com/AhobbsRISE).

## **What Are Twitter tips should I know?**

- Remember that tweets have to be fewer than 140 characters. Twitter will let you know if it's too many!

## **How do I join the Facebook conversation?**

1. Go to [facebook.com](https://facebook.com) and log in to your account.
2. Like [Debug the Myths Facebook](https://facebook.com/DebugtheMythsFacebook) and stay tuned for updates.

## **What kind of content should I post?**

- Tailor your posts towards your expertise. If you are a turf manager, we want to hear your expert opinion. If you are an entomologist, let us know your thoughts on Zika and West Nile.
